NOUVELLE ECO

Nouvelle is our signature cotton and cashmere yarn with all the freshness of cotton and the softness of cashmere. Nouvelle has a very broad colour palette to choose from, and it comes in a finer version, **Nouvelle Fine**, which is ideal for 14 gauge knitwear.

Nouvelle ECO replaces ordinary cotton with organic cotton to create a more sustainable option for this versatile yarn.

Nouvelle Air is a versatile iteration on one of our staple yarns, offering a fresh and dynamic new option for knitters and designers. **Nouvelle Fine Air** is a finer version, which is ideal for 5 gauge knitwear.
